**“Makes Reality
TV seem silly.”**

- The RV with Personality

With all of its premium features and retro design, it's easy to see why so many people call T@B home when they are traveling and enjoying the great outdoors.

Plus, it's lightweight, easy to tow and even easier to set up and use. Fun and adventure has never been this simple! So relax, enjoy and take life one T@B at a time ...

Choices

Choosing the T@B™ that's right for you is as easy as **1-2-3**.

1. Choose an exterior material. **2.** Choose a floor plan. **3.** Choose your options.

1. Choose your exterior

Fiberglass

Aluminum with
Jolt Grey trim

AluFiber®
with Cherry trim

A Durable white fiberglass is laminated over block foam insulation and aluminum wall framing to create a stylish long-lasting finish. (Available only with Jolt Grey trim as shown.)

B Classic one-piece, anodized, clear-coated aluminum laminated over block foam insulation and aluminum wall framing gives T@B the look of yesteryear. Available with Jolt Grey, Orange Krush, Mellow Yellow and Cherry exterior trim.

C The latest technology, AluFiber®, combines aluminum with fiberglass to create a hi-gloss, impact-resistant finish. AluFiber® is laminated over block foam insulation and aluminum wall framing. Available with Jolt Grey, Orange Krush, Mellow Yellow and Cherry exterior trim.

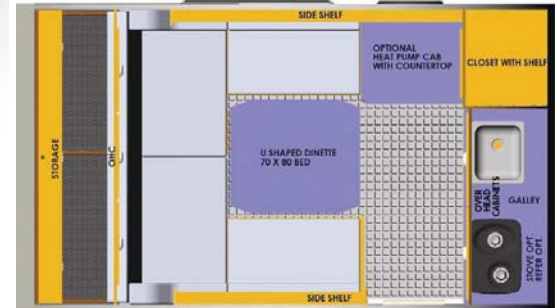

**“Live,
Love,
Laugh...
T@B.”**

2. Choose your floor plan

*Aluminum T@B
with Mellow Yellow trim
(shown with customer installed wheels)*

T 16 – Original floor plan

U-shaped dinette folds down into a 70" x 80" Queen bed.

Galley includes a gas 2-burner cooktop, stainless steel sink, 5-gallon water tank.

Closet storage on front wall.

Front and rear overhead storage cabinets.

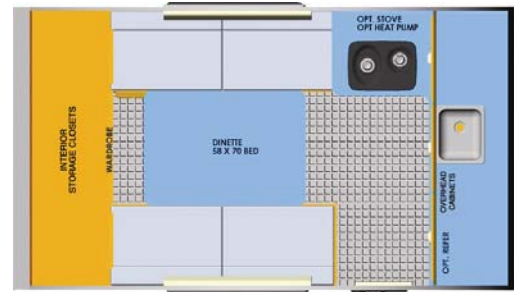

Rear kitchen with locking clam shell door.

Clam Shell floor plan

Rear exterior kitchen with stainless steel sink, gas 2-burner cooktop and 5-day ice chest.
Booth dinette converts into 58" x 70" bed.
Full height closet and overhead storage on front wall.
Pass through cabinets to rear kitchen.
Extra bench seat on front wall for additional seating and storage.

L-Shaped floor plan

L-shaped galley includes stainless steel sink, gas 2-burner cooktop and 5-gallon water tank. In addition it creates extra countertop and storage space.
Booth dinette folds down into a 58" x 70" bed.
Four floor to ceiling storage closets line rear wall.

Route 66 is our middle name

3. Choose your options

T@B tent room.
Tent room attaches to the side of T@B™, creating extra living and sleeping space. (N/A on fiberglass or clamshell models.)

Refrigerator.
1.8 cubic feet of storage, runs on LP gas, 110V AC electric or 12V. Not available on clamshell models. (High elevation kit available for LP operation in altitudes above 4,000 ft.)

Screen Door.
Add this screen door to your T@B to keep the bugs out.

LP Furnace.
12,000 BTU furnace keeps you warm on those cold nights.

COOL CAT® air conditioner with heat pump. 120V AC/12,000 BTU powered air conditioner includes a heat pump for added comfort on those cool nights.

*Aluminum rims with low profile tires.
Replaces the standard 16" tires with steel
rims. (N/A on fiberglass models.)*

*Awning.
Create a covered patio
to enjoy the outdoors. (N/A on
fiberglass or clamshell models.)*

*Porta-potty.
Stores in T@B's
lower cabinet.*

*Northern Breeze™
roof vent. Power
12V fan helps
recirculate the air,
keeping you cool.*

*Aluminum T@B with
Orange Krush trim.*

**"It's one lean, mean
traveling machine"**

Standard Features

All T@B™ models feature a lightweight frame with "independent suspension" style torsion axles. A built-in surge brake coupler and brakes mean T@B can be towed without an additional electronic brake control. Premium tinted double pane Poly-Plastic® windows with roller screens & shades are also standard features on T@B. Visit our Web site for detailed specifications and other available options.

*See owner's manual for details.

Disclaimer:

Vehicle loading - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

Dry weights based on standard features – Some optional equipment not included. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight rating (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighting and towing instructions.

Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features shown are optional and may be different or unavailable in Canada. Vehicles are designed for recreational use only and are not intended for use as a primary residence.

Caution:
Will cause outgoing individuals to exceed their allotted vacation time and use up all available sick days. Enjoy at your own risk.
